**THE TOWN OF HAMPTON'S
COMMUNITY POWER AGGREGATION PROGRAM
CONSUMER NOTIFICATION**

The Town of Hampton is pleased to announce that it has selected First Point Power as the electricity supplier for its Community Power Aggregation Program ("Program"). This Program is a municipal aggregation which enables local government to combine the purchasing power of its residents and businesses to provide them with an alternative to Unitil Default Service. The Town voted to authorize the Program plan at Town Meeting in March 2023, and selected Colonial Power Group as an energy consulting company to manage the Program.

**The town is holding a public information session about the Program
April 4, 2024, at 6:00PM in the Selectmen's Meeting Room at Town Hall.**

PARTICIPATING IN THE PROGRAM WILL NOT CHANGE YOUR ELECTRICITY SERVICE. You will continue to receive one bill from Unitil. The only difference you will see is that "Hampton CPA Program" will be printed under the "Supplier" section of your monthly bill. You will continue to send your payments to your Unitil for processing. Unitil will continue to respond to emergencies, read meters and maintain the distribution and transmission lines. Energy Assistance consumers will continue to receive the same benefits from Unitil.
