

TOWN OF NORTH HAMPTON COMMUNITY CHOICE AGGREGATION PROGRAM CONSUMER NOTIFICATION

February 23, 2026

Dear North Hampton Default Service Consumer:

The Town of North Hampton is pleased to announce that it has selected **Direct Energy Services, LLC** as the electricity supplier for its Community Choice Aggregation Program (“Program”). This Program is a municipal aggregation which enables local government to combine the purchasing power of its residents and businesses to provide them with an alternative to Eversource Default Service. The Town voted to authorize the Program plan at Town Meeting in March 2024 and selected Colonial Power Group as an energy consulting company to manage the Program.

The town is holding a public information session about the Program on March 9, 2026, at 7:00PM at the Town Hall (231 Atlantic Ave). The session will be an agenda item of the Select Board meeting and will be conducted to field any questions and to assist consumers to make informed decisions about participation.

- ✓ **YOU WILL BE AUTOMATICALLY ENROLLED IN THE PROGRAM UNLESS YOU CHOOSE NOT TO PARTICIPATE AND OPT-OUT.**
- ✓ **YOU MUST RESPOND BY MARCH 23, 2026 IF YOU DO NOT WISH TO BE AUTOMATICALLY ENROLLED.**

PARTICIPATING IN THE PROGRAM WILL NOT CHANGE YOUR ELECTRICITY SERVICE. You will continue to receive one bill from Eversource. The only difference you will see is that “North Hampton CCA” will be printed under the “Supplier” section of your monthly bill. You will continue to send your payments to Eversource for processing. Eversource will continue to respond to emergencies, read meters and maintain the distribution and transmission lines. Reliability and quality of service will remain the same.
