**THE TOWN OF NORTH HAMPTON’S
COMMUNITY CHOICE AGGREGATION PROGRAM
CONSUMER NOTIFICATION**

The Town of North Hampton is pleased to announce that it has selected Direct Energy Services, LLC as the electricity supplier for its Community Choice Aggregation Program (“Program”). This Program is a municipal aggregation which enables local government to combine the purchasing power of its residents and businesses to provide them with an alternative to Eversource Default Service. The Town voted to authorize the Program plan at Town Meeting in March 2024 and selected Colonial Power Group as an energy consulting company to manage the Program.

**The town is holding a public information session about the Program on
March 9, 2026, at 7:00PM at the Town Hall (231 Atlantic Ave).**

PARTICIPATING IN THE PROGRAM WILL NOT CHANGE YOUR ELECTRICITY SERVICE. You will continue to receive one bill from Eversource. The only difference you will see is that “North Hampton CCA Program” will be printed under the “Supplier” section of your monthly bill. You will continue to send your payments to your Eversource for processing. Eversource will continue to respond to emergencies, read meters and maintain the distribution and transmission lines. Energy Assistance consumers will continue to receive the same benefits from Eversource.
